CAF LIVE TALK SHOW

Christian Awareness Fellowship has been invited to be guests on KVOI radio, 690 AM Mondays from 3:05pm to 4:00pm on the *Goodnews Daily Magazine*. CAF members will be discussing cults, the occult and local religious movements on this live radio program.

The show will include testimonies from CAF members (many of whom are former cultists), insights on how to witness to those deceived by the cults, and answering questions from listeners who call into the show.

The CAF had a call-in talk show about six years ago on KVOI that was well received by

many supporters. *A Closer Look*, CAF's other radio program, is still being broadcast on about 15 frequencies nationwide. CAF plans to continue producing and updating the three minute *A Closer Look* program as time and resources allow. Please let Family Life Radio and Goodnews Communications know you appreciate them airing CAF programs.

A special interview of Mark Martin (see "**What About the Sabbath?**") is planned for Monday May 4. If you live in the Tucson area, plan to listen to the *Goodnews Daily Magazine*. Your participation is encouraged, as are your prayers.

What About the SABBATH???

The CAF will be hosting Pastor J. Mark Martin of Calvary Community Church, Phoenix for a teaching on "**The Gospel and the Covenants- What about the Ten Commandments?**"

The lecture will be held at **CALVARY CHAPEL of Tucson, 5170 S. Julian Loop** (Behind the Ramada Inn on Palo Verde just south of Interstate 10) on **Saturday May 9 at 7:00pm.**

Martin is a former pastor of Glendale Seventh-day Adventist Church-- the largest SDA church in Arizona, at that time. He is currently writing a book on the subject with the encouragement of Dave Hunt and Chuck Smith.

SDA splinter sects abound. The largest being Armstrong's Worldwide Church of God, while locally the small Sealing Ministry has been very visible. The splinter groups and also some traditional Adventists teach that salvation is kept by observing the Sabbath (a charge they often try to deny).

Bring any friends interested in the Sabbath question. Plan to stop by the CAF book table, too.

NEW AGE VIDEO

CAF volunteers hope to have the *Selling of the New Age* video completed this summer, instead of spring, as originally planned.

A recent trek to Sedona, Ariz. to film the mystical vortexes, teachings by CAF president Jack Gracie and interviews of local New Age leaders are part of the script.

Many hours are being put into this production. Thank you for your prayers, patience and your encouragement.

WITNESSING to the WITNESSES

The District Convention of the Jehovah's Witnesses will be held in Tucson again this summer. CAF and other ministries will be planning to witness and give out tracts to those deceived by the Watchtower.

A planning and prayer meeting will be held at El Camino Baptist Church, 7777 E. Speedway, Sunday May 17 at 2:00pm. All born-again Christians interested in JW evangelism are welcome.

Due to decreased donations and missions support this year, we have decided not to publish the full eight pages of the Spring 1992 SERVANT. Our policy is to not incur debt and to be good stewards of the Lord's provisions. The Summer SERVANT will be published in a few months, God willing, and will contain "The Message of William Branham part 2," "The Biosphere 2: Space Aged or New Aged?" and exciting ministry updates. Thank you for your prayers and support!
